Re: Mackinaw City Casino Q&A Detroit /Lansing

On 10/26/2012 I attended the LTBB Tribal Council Sponsored Mackinaw City Casino Q&A held at the American Indian Health & Family Services of Southeastern Michigan, 4880 Lawndale Street, Detroit, MI. scheduled from 3 PM to 6 PM. I arrived at 2:30 PM and left at 6:30 PM. I listened to the presentation and provided input as I saw fit. This was a great opportunity for me to talk individually with concerned Citizens about the proposed project and other concerns. There was a very limited citizen participation at this location. There were numerous questions about the project in which the needed clarification was provided. Overall my impression from the input was that this was a positive business endeavor for the Tribe to pursue.

On 10/27/2012 I attended the LTBB Tribal Council Sponsored Mackinaw City Casino Q&A held at the Cristo Rey Community Center, 1717 N. High Street, Lansing, MI. scheduled from 3 PM to 6 PM. I arrived at 2:45 PM and left at 6:30 PM. Again I listened to the presentation and provided input as I saw fit. This was another great opportunity for me to talk individually with concerned Citizens about the proposed project and other concerns. Once again there was a very limited citizen participation at this location. There were numerous questions about the project in which the needed clarification was provided. Overall my impression from the input was that this was a positive business endeavor for the Tribe to pursue. Other concerns raised by the Citizens that I talked with at this location related to more service delivery in their area and more promotion

of culturally impacting activities.

I appreciate the opportunity given me to be part of this face to face communication with Citizens.
